LEGAL [First published in The Topeka State Journal Aug. 8, 1908.] SENATE CONCURRENT RESOLUTION NO. 11.

A proposition to amend the constitution relative to the disqualification of judges to hold certain offices.

BE IT RESOLVED BY THE LEGISLA-ture of the State of Kansas, two-thirds of the members elected to each house thereof concurring therein:

SECTION 1. The following proposition to amend the constitution of the state of Kansas is hereby submitted to the qualified electors of the state for their approval or rejection: That section 12, article 3, be amended so as to read as follows: Sec. 13. The justices of the supreme court and the judges of all courts of record of this state shall, at stated times, receive for their services such compensation as may be provided by law, which shall not be increased during their respective terms of office. Such justices or judges shall receive no fees or perquitites hor hold any other office of profit or trust under the authority of the state, or the United States, except the office of judge of any federal court of justice or judge of a court of this state, during the term of office for which such justices and judges shall be elected, nor practice law in any of the courts in the state during their continuance in office.

SEC. 2. This proposition shall be submitted to the electors of the state at the general election of representatives in the year 1908 for their approval or rejection. The amendment hereby proposed shall be designated on the official ballot by the following title: "The judicial amendment to the constitution," and shall be voted for or against as provided by law under such title.
